

Phoenix Grind AAU Families,

I want to thank you for being so incredibly patient during the Covid 19 Shelter in place order. I truly appreciate each and every one of you. I would like to get you up to speed on what my thought process is for the season. There are talks that we may be able to get back into the gym in July. I will know more by the end of the month.

I will be offering training Monday, Wednesday and Thursday for 7 weeks along with a 50% discount on this year's price for next aaU season just to cover the cost of uniforms and tournaments. As many of you know this is my sole source of income and I'm a grass roots program. I know many of you want training for your kids so I've come up with a way to still provide top notch training for the summer without having to refund everyone.

My training is not like other programs, part time trainers or free apps on your phone. I have a 95 page curriculum that I've created after years in the trenches. I train the entire athlete with a metric system to measure progress of skill and game time application. It is ELITE level training and you will get all these sessions plus a 50% discount on next year's AAU season. I won't be making money on next year's AAU season in order to make this up to you all. I think we can agree no one saw COVID 19 coming.

As we are now starting summer I'm extremely fired up to start training the boys and get them ready for whatever is ahead of them. We will be training outside and hopefully in July be able to get in the gym. We will be doing Social Distance training and if you want/need to wear a mask you can do so. I will be wearing a mask as well.
